

Independent Schools operate within an ever-changing risk landscape

Cyber bullying, terrorism, funding changes, climate change, competition for talent, increased litigiousness; the list of potential new risks is seemingly endless.

We're not just here to help you transfer your school's risk via insurance, but to help you build excellence in risk management.

Top risk concerns for Independent Schools

Aon's 2017 Independent Schools Risk Survey revealed the top 10 risk concerns for Independent Schools. A careful consideration of all of these concerns will help ensure a comprehensive approach to your risk profile.

Everything we do centres on protecting schools, and the people within them, from risk, no matter the size or make up of the school. Our tailored solutions for Independent Schools seek to address the risk concerns raised above, either directly or indirectly.

Solutions for Independent Schools

Our understanding of the education industry and independent schools sector provides us with insight into the challenges and opportunities that impact upon your school's structure and operations. We look to empower our Independent Schools clients through our core capabilities of Risk, Talent and Health, and their underlying solutions.

Support for the Independent Schools' sector

As the strategic risk and insurance partner to the Association of School Business Administrators (ASBA), we are committed to raising awareness of effective risk management with independent schools.

Our partnership with the AISNSW further reinforces our commitment to the sector, and enables us to contribute to the development of education professionals to promote educational excellence across Australia.
