Aon's 2019 Global Risk Management Survey

Policy changes, geopolitical conflicts, volatile financial markets, and overall industry disruption: from regulations through to digital transformation, risks vary across industries. Further, risk readiness has dipped to the lowest reported levels in over a decade. To navigate these significant shifts, industry-sector-specific insights are key for risk advisors, brokers and insurance executives.

Aon's Global Risk Management Survey is designed to offer organisations the insights to compete in an increasingly complex environment.

Which risks are on the horizon and how are leaders preparing for the unknown?
